

Launching 7 March, 2022: Sydney Catholic Schools' new online enrolment form makes applying to our 150 primary and secondary schools simpler, faster and more convenient than ever!

Includes a Save & Return function (because your time is precious and sometimes the internet drops out), and Google Translate (helpful if English is your second language).

To **ENROL NOW**, simply scan the QR code or visit our website sydcatholicschools.nsw.edu.au

It's as easy as **A B C**
