Invitation to join the High Resolves Global Leadership Program

Dear Parent / Guardian of Year Nine and Ten Students,

Following the two programmed days in 2011, your daughter may have expressed interest to join the High Resolves Global Leadership Program that is conducted in the school for our Year 9 and 10 students.

The Global Leadership Program involves a variety of activities over Years 9 and 10. Student leaders will participate in a number of development sessions on leadership delivered by an external organisation called High Resolves. The program then takes the students through a series of hands-on School and Community Action Project experiences that typically span two to three terms. We are pleased to be working in partnership with High Resolves to deliver this exciting program.

High Resolves is a non-religious, not for profit organisation focussed on citizenship and leadership development for high school students. They conduct programs specifically designed to encourage teenagers to reflect on their role as global citizens and how they can make a difference to society. Further information on High Resolves is available at their website, www.highresolves.org.

Participation in the High Resolves Global Leadership Program will involve a level of commitment from each student, and we would like to ensure that parents are fully aware of all commitments. An Overview of Student Participation is attached to this letter for your information, along with a Participation Consent Form which will need to be signed to enable your daughter to commence or continue with this program.

We ask that you take the time to read through and discuss the details of this letter with your daughter. If you have any further enquires regarding the program please contact Ms Fisher (College Chaplain) on fisher@mscw.catholic.edu.au.

The cost to participate in this program is $45, which will cover the full year. (Term Two’s fees will reflect $30 being for Terms One and Two, then Term Three will contain the balance of $15). To secure a place for your daughter, the attached Participation Consent Form needs to be returned to Ms Fisher, by no later than 17th March 2012.

Your daughter’s participation in the High Resolves Global Leadership Program will provide her with a very rewarding opportunity to learn leadership skills and also to gain hands on experience with managing a project. Your support in encouraging your daughter to participate will be much appreciated.

Regards

Mrs Christine Trimble
College Principal
